

EVENTS

An exclusive and memorable place
to meet, dine and entertain in a stunning
and prestigious medieval setting

A rich history of events, since 1357

The Company of Merchant Adventurers has an unbroken history of business within the City of York operating from the Hall since 1357, so as a venue for dinners, receptions and meetings, the Merchant Adventurers' Hall is unparalleled.

The Hall makes an excellent setting for dining, whether it's to celebrate with your staff or impress partners and clients. Our dedicated caterers can provide you with a delicious silver service dinner in the Great Hall, preceeded or followed by a drinks reception and entertainment in the Undercroft.

When hosting smaller groups, we recommend the intimate Governor's Parlour or elegant Committee Room, these are suitable for private dining for up to 20 people.
